## IN THE UNITED STATES DISTRICT COURT FOR THE WESTERN DISTRICT OF TEXAS AUSTIN DIVISION

IN RE SUBPOENA TO TESLA, INC., SANMINA CORPORATION, AND SPACE EXPLORATION TECHNOLOGIES CASE NO. 1:22-mc-01257-RP

## **NOTICE OF VOLUTARY DISMISSAL**

Non-Parties Tesla, Inc., Sanmina Corporation, and Space Exploration Technologies, (collectively, "Non-Parties") filed a Motion to Quash third-party subpoenas served by the plaintiff in the case of *The Trustees of Purdue University vs. STMicroelectronics International N.V.*, et al., Case No. 6:21-cv-727-ADA, which is pending in the Waco Division of the Western District of Texas (the "Underlying Case"). The Court in the Underlying Case ordered Non-Parties to file their motion to quash in the Underlying Case. Non-Parties have complied with the Court's order, having filed their motion to quash in the Underlying Case. Accordingly, to avoid duplicative motions, Non-Parties hereby voluntarily dismiss this action in its entirety without prejudice and with each party to bear their own attorneys' fees and costs. Non-Parties conferred with counsel for the Plaintiff in the Underlying Case, who confirmed that Plaintiff is unopposed to the withdrawal of this Motion to Quash and voluntary dismissal.

Dated: December 8, 2022 Respectfully submitted:

By: /s/ Justin S. Cohen
